

In conclusion, Freshmen, you will find that Davidson College does give you the opportunity for the education of the complete man, and perhaps not in the sense that our Presbyterian founders would have most desired. Whether you're taking a beautiful woman to a formal dance or a not-so-beautiful one to the movies, or whether you're just sitting around Hattie's having a beer with the boys, you will find that Davidson allows you both the leisure time and the entertainment advantages to make your college life a socially enriching experience. By wisely combining this experience with the academic one, by allowing each its due place, you will be able to leave Davidson as a far more mature human being than when you entered and your four years will be an experience which will always have its mark with you.

The purpose of the Social Council is to plan major campus-wide social functions for the student body. This includes three major week-ends and four
