Dear Cammie,

I am grateful for your recent letter, which covered in meaningful detail both the "Breakfast for a Buck" concept as well as the chartering of the F.L.A.G. organization. Given your very busy schedule I am most grateful for your having made the significant personal commitment of time to communicate with me. The "Breakfast for a Buck" concept is a significant step toward addressing our alcohol problem. Although I regret that the response during homecoming weekend was not good, the program has established a model which hopefully other groups and especially fraternities will follow. Will Terry is bringing a group of students to our next Trustee Executive Committee meeting on November 21st, and perhaps you will be a participant. The purpose of their presence is for the Executive Committee to receive a direct student assessment of our situation.

Regarding F.L.A.G., although I regret the circumstances surrounding this organization, I generally agree that everyone should have an opportunity to express his or her views and opinions. Thus, I understand your objectives and you can rely on my support. Of course, I cannot speak for the Board of Trustees.

I will be on campus December 7th, and perhaps there will be an opportunity for us to spend some time together. Judith and I thoroughly enjoyed Parents Weekend and the Fall Convocation, and once again I was most impressed with your welcome. You are providing extraordinary leadership, and I join your family and friends in being proud of you.
